Terminal Disclaimer

1. The terminal disclaimer filed on 02/28/2006 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of 6,653,861 has been reviewed and is accepted. The terminal disclaimer has been recorded.

Allowable Subject Matter

2. The following is an examiner's statement of reasons for allowance: in combination with other limitations of the claims, the cited prior arts fail to teach the register of each I/O cell comprises an output enable register coupled to the I/O block's routing structure, the output enable register controlling an output buffer coupling an output from the I/O cell's output register to its pin, as required by amended claim 1; the cited prior arts also fail to teach each routing structure being programmable to provide control signals for the common set of control signal paths and data signals for the different sets of data signal paths, as required by claim 10; the cited prior arts also fail to teach each routing structure being coupled to a corresponding I/O block and programmable to provide control signals to the control array for controlling the multiplexers and to provide data signals for the different sets of data signal paths, as recited in claim 23; and the cited prior arts also fail to teach a plurality of routing structures corresponding to the plurality of I/O blocks, each routing structure for receiving input signals and routing them to the corresponding I/O block, as recited in claim 24.

3. Claim 1, 4-12, 14-24, 26 and 27 are now in condition for allowance.

Art Unit: 2819

4. The Examiner would like to thank Applicants' representative Jonathan Hallman on May 29, 2006 for pointing out the typographical error in the final rejection of claims 10-12.

5. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
